FEMA

November 2, 2006

Honorable Mary Egusquiza, Chair
Honorable Connie Crusier
Honorable Larry Rose
Elmore County Board of Commissioners
150 South 4th East, Suite 3
Mountain Home, Idaho 83647

Dear Commissioners Egusquiza, Crusier and Rose:

The U.S. Department of Homeland Security's Federal Emergency Management Agency (FEMA) has approved the Elmore County All Hazards Mitigation Plan as a multi-jurisdictional local plan as outlined in 44 CFR Part 201. With approval of this plan, the following entities are now eligible to apply for the Robert T. Stafford Disaster Relief and Emergency Assistance Act's hazard mitigation project grants through November 2, 2011:

**Elmore County
City of Glenns Ferry
City of Mountain Home**

The plan's approval provides eligibility to apply for hazard mitigation projects through your state. Grant applications will be evaluated individually according to the specific eligibility and other requirements of the particular hazard mitigation grant program. For example, a mitigation project identified in the approved plan may or may not meet the eligibility requirements for Hazard Mitigation Grant Program funding.

Over the next five years, we encourage your communities to follow the plan's schedule for monitoring and updating the plan, and develop further mitigation actions. The plan must be reviewed, revised as appropriate, and resubmitted for approval within five years in order to continue project grant eligibility.

If you have questions regarding your plan's approval or FEMA's mitigation grant programs, please contact our state counterpart, Idaho Bureau of Homeland Security, who coordinates and administers these efforts for local entities.

Sincerely,

Carl L. Cook, Jr., Director
Mitigation Division

cc: David Jackson, ID Bureau of Homeland Security
